Sinclair
Photography

As a photographer for almost 35 years, I class myself as a social photographer being able to interact with environments and my customers alike. I enjoy the buzz that you get from capturing a smile on a person's face, the colours portrayed in a landscape, and the beauty of life that you capture through the lens.

Address: 9 East Reach, Taunton, Somerset,

Jodi & Mitch

Jodi & Mitch can enhance the atmosphere during those key moments of the day. The drinks reception is a popular time for the wedding party to have photographs taken with guests so live music is a great way to keep your guests entertained.
